Plenty of storage space

The WESTFALIA Sven Hedin impresses with a host of intelligently integrated storage solutions: Cupboards, drawers and compartments are intelligently distributed and functionally positioned throughout the vehicle. Particularly practical is the spacious, easily accessible rear compartment, which offers plenty of room for bulky items such as bicycles or camping accessories, without compromising on comfort or quality of life on board.

Practical kitchen unit

The Sven Hedin kitchen is impressive for its well-thought-out functionality.

The highlight is the cleverly integrated 90-litre compression refrigerator at the end of the kitchen unit. Thanks to its practical pull-out function, it's easy to use whether you're inside or outside the vehicle. This gives you quick access to chilled food at all times, making it ideal for travel, spontaneous stopovers and everyday flexibility.

A timeless journey

Westfalia - freedom on wheels since 1844

For over 180 years, Westfalia has stood for a spirit of adventure, pioneering spirit and a longing for boundless freedom. The big breakthrough came in 1950 with the VW Kombi - a real home on wheels. Sofa bed, fold-out table, comfortable bench seat - everything you need to enjoy life on the road to the fullest. What began as a practical companion for explorers quickly became an icon: a symbol of travelling without limits and of life in the open air. Today, Westfalia is part of the renowned Rapido Group - and yet remains true to itself. With fresh innovative strength and a clear focus on the essentials: Freedom, independence and unforgettable travelling experiences.

Westfalia - Because every journey is your story.
