## Autohaus Spartan GT

Whether it's for daily use, weekends away or longer trips with the family, the Spartan GT fits the bill. This is the first campervan that Autohaus have built on a Ford and in line with their principals of quality, safety, style and innovation there's been no compromise on design and aesthetics.

The Spartan GT is a fine looking campervan; the swish interiors have been optimised to make full use of the space available; flush fitting doors, a combination twin hob and sink, 50ltr fridge-freezer, pull-down dining table, and a curved fridge door with storage pockets. The front elevating roof increases the headroom and can be used for an optional roof bed.

Autohaus Spartan GT Ref. Number AH022020
