Permitted seats (including driver)	4
Payload Kg	486.5

Misrepresentation Act: These particulars are set out as a general outline for the guidance of intending purchasers and do not constitute part of a contract. All descriptions, dimensions, reference to condition and other details are given in good faith and are believed to be correct but intending purchasers should not rely on them as statements or representation of fact but must satisfy themselves by inspection or otherwise as to the correctness of each item.

Tolerance of permissible weight +/- 5%

* Mass in running order includes driver (75 kg), full fuel tank (90 %), fresh water (100 %), gas store.

** Payload: Difference between technically permissible total weight and mass in running order.

*** Need more payload, MIRO is calculated with 100% water = 100kg Tip: reduce water when travelling.
